Gabriela Hein	Senior Consultant HR Strategy & Transformation (all genders)	Full time or part time (min. 32 hours)	Munich, Hamburg, Cologne, Barcelona or remotely (Germany / Austria)

**What you can look forward to**

- You will be responsible for strategic and technical consulting in (inter)national HR(-IT) projects at exciting companies - from hidden champions to global players
- You advise on topics such as HR trends & innovations and take over the strategic design of HR(-IT) roadmaps
- You accompany the HR software selection and implementation of our customers, provide holistic advice on systems, processes and organization and take over process consulting along the employee lifecycle
- You apply various methods and consulting approaches to support HR transformation projects and carry out fit-gap analyses with the client
- You will also design communication strategies and training concepts as part of change management projects, for example

**You'll fit in with us if...**

- ...you are passionate about HR(-IT) topics, are interested in trends and innovations and would like to implement them with the team for our customers
- ...you have experience in the implementation of HR(-IT) projects - ideally in consulting - and have a certain affinity for IT
- ...you have very good knowledge of project management and the common classic and agile project management methods such as waterfall, Scrum, Kanban, etc.
- ...you ensure smooth communication with your empathetic nature and have excellent analytical and conceptual skills
- ...you have a very good command of English and are fluent in German

**Our corporate culture**

- You can expect a unique team spirit, flat hierarchies and a working environment characterized by the hybrid model
- We are on a first-name basis and also like to wear our p78 hoodie outside of customer meetings
- You have a cool idea? We support and encourage you to realize it
- Our mission: People are our passion, technology our element. With creativity, innovation and passion, as one ambitious team, we create digital solutions that inspire people, ensure the success of our customers and make them fit for the challenges of tomorrow
