

(Senior) SAP Developer

(all genders)

Why projekt0708?

Are you looking for a job that perfectly combines the advantages of in-house development and consulting? Do you want to be at the cutting edge of technology, be able to develop freely both professionally and personally, and do all this with little travel? Then you are exactly right with us! We are fresh, modern, innovative, agile and do exciting projects with cool customers (take a look at our [references](#)). The job is fun, challenging and the colleagues are more than just colleagues.

Gabriela Hein

Your Job

(Senior) SAP Developer
(all genders)

Time model

Full time or part time (min. 24 hours)

Location

Munich, Hamburg, Barcelona or remotely (Germany / Austria)

What you can look forward to

- You will work on pioneering (inter)national development projects of varying degrees of complexity and technical focus at exciting companies and help shape the HR transformation of our customers
- You continuously develop the SAP solutions of our customers on the basis of ABAP / ABAP OO and find individual solutions beyond the SAP standard
- By using additional technologies and software solutions such as UI5, BTP, S/4HANA or SuccessFactors, you support the customer in remaining future-proof
- With us, there is neither technological standstill nor monotonous project work; instead, you can expect constantly evolving topics as well as constantly new challenges due to changing customer requirements
- In individual projects, you will provide technical guidance to our junior consultants and have the possibility to be in the (partial) project's lead
- A customized development plan as well as internal and external training courses will deepen your knowledge in the relevant coding languages and latest technologies

You'll fit in with us if...

- ...you have profound professional experience in application development based on ABAP and ABAP/OO. Knowledge in additional technologies as SAP UI5, WD4A or similar are desirable
- ...you ideally have experience in SAP HCM solutions and the underlying HR processes
- ...you want to bring customers to the next level of digitalization and if you are characterized by a performance-driven way of working and a strong customer focus
- ...you have conceptual and analytical skills as well as a quick perception
- ...you are communicative, enjoy working in a team and collegiality is important to you
- ...you have a very good command of English

Our corporate culture

- You can expect a unique team spirit, flat hierarchies and a working environment characterized by the hybrid model
- We are on a first-name basis and also like to wear our p78 hoodie outside of customer meetings
- You have a cool idea? We support and encourage you to realize it
- Our mission: People are our passion, technology our element. With creativity, innovation and passion, as one ambitious team, we create digital solutions that inspire people, ensure the success of our customers and make them fit for the challenges of tomorrow

Your benefits

FLEXIBLE WORKING HOURS

ADVANCED TRAINING

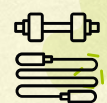

MOBILE WORK / WORKING FROM HOME

COMPANY PENSION PLAN (bav)
