

# SAP SuccessFactors Team Lead – Employee Central (all genders)

## Why projekt0708?

All these SAP consultancies are somehow interchangeable. So why go to this one with the unusual name?

Our answer: We are fresh, modern, innovative, agile and do exciting projects with renowned customers. With us you don't do run-of-the-mill best practice implementations, but work on innovative solutions that go beyond the standard (take a look at our [references](#)). The job is fun, exciting and challenging and the colleagues are more than just colleagues.

## What you can look forward to

- As part of our extended management team, you can expect an exciting
- combination of leadership as well as technical and strategic work
- You are responsible for the professional and disciplinary management of an international team (DE + ES), which is part of our HR Consulting division with more than 30 colleagues (tendency increasing)
- You develop the Employee Central department; this includes the expansion of the range of services as well as the standardization and optimization of delivery
- You conduct workshops with our customers and take over - also as a team leader from time to time - the implementation as well as the after-go-live support and advise our customers throughout the entire project both technically and professionally
- Furthermore you support in presales and customer management

## You'll fit in with us if...

- ... you are motivated to take responsibility for a team, you may have already gained leadership experience and you want to take the Employee Central department to the next level
- ...you have sound professional experience in the area of SAP SuccessFactors with a focus on Employee Central and possess a certification
- ...you ensure smooth communication with your empathic personality and have excellent analytical and conceptual skills
- ...you have no problem working on-site at the customer for a few days as part of consulting projects
- ...you have a very good command of English and are fluent in German

## Our corporate culture

- You can expect a unique team spirit, flat hierarchies and a working environment characterized by the hybrid model
- We are on a first-name basis and also like to wear our p78 hoodie outside of customer meetings
- You have a cool idea? We support and encourage you to realize it
- Our mission: People are our passion, technology our element. With creativity, innovation and passion, as one ambitious team, we create digital solutions that inspire people, ensure the success of our customers and make them fit for the challenges of tomorrow
